## SpiceBox Organics opens at Levels

Local organic retailer [SpiceBox Organics](#) has opened a new store at Mid Levels.

SpiceBox, which started out in Sai Ying Pun, describes itself as a socially conscious company that specialises in the sourcing and distribution of high quality food that is healthy, environmentally friendly and tasty. It is the only USDA certified organic store in Hong Kong, selling more than 800 products at retail and wholesale level.

Its range includes spices and spice blends, gluten-free products, vegan products, "Tulsi" teas, fresh local vegetables and herbs, superfoods, grains, flours and legumes, cold pressed oils, eco-friendly cleaning and body products, and herbal supplements.

SpiceBox says 95 per cent of its range are USDA certified, free of chemical, pesticides, and synthetic preservatives.

The new SpiceBox store is located at 137 Caine Rd, Shop 1, Golden Valley Mansion at Mid Levels. It also sells online.
