

## Top 12 Health Food Stores In Hong Kong

7 / 13 Spice Box Organics

Spice Box Organics is a great place to find health foods, environmentally-friendly household products, all-natural body care products and of course, a wealth of spices. **The socially conscious company ensures that products are sourced from sustainable organisations, and you can even find traditional medicine and Ayurveda products.** Create your own Spice Box by picking your favourite herbs and spices, or trust the experts and get the signature Spice Box set instead. You can also place your order online and receive a free delivery when you purchase over \$500.
